 - a. Lottery system details below.
6. Those that don't get into their desired lesson will be contacted via email and refunded their full payment and go onto a waiting list. An email to those who do not get their desired lesson will be out by Wednesday, April 10th. You may need to check your junk mail folder.
7. Those on the waiting list will be given 1st choice to select another lesson time. The waiting list will be handled by DAC staff at a later date (TBD). This process will be communicated via email.

How the **swim lesson lottery** system will work:

In the event a swim lesson time is over booked.

Each registration will be given a #. Say there are 30 people signed up for this one lesson time that only has 15 spaces available.

A # will be assigned to each person 1 through 30.

A starting # will be **randomly selected**. For example, say the # that is randomly selected is #27. The 15 people (#'s) who will get into the desired lesson will be #'s 27, 28, 29, 30 and 1 through 11.

#'s 12 through 26 will not get their desired lesson.

There will be a total of 373 private swimming lessons available in 2024.
